Materials:

30 yards of worsted weight yarn in green (or other color of your choice)
size 6 knitting needles

Assembly:

Holding 2 trees with the wrong sides together, thread the needle with yarn and whipstitch one side edge together.

Hold the 3rd tree, wrong sides together, with the long side edges matching the edges remaining on the other trees. Whipstitch the long edges together.

Whipstitch the bottom in place, matching points and leaving an opening for stuffing.

Stuff the tree with fiber fill, making sure the tips of the branches stand out.

Whipstitch the opening closed

Decorations:

Wrap the tree with metallic cord, rick rack or beads. Glue beads or sequins on the tree to look like ornaments.
